When oil starts to spread, the Pyramid Antidote is the perfect solution.

Desperate times call for desperate measures. That's why we've brought in the New Era 149 Symmetric core. This High RG/High Differential core technology provides bowlers with maximum flare potential and continuation.

In order to offer the best remedy for medium to heavy oil, we've wrapped the core in our proven GPS Navigational Solid coverstock. Finished at 2000 grit Abralon with Factory Finish polish, the Antidote will give you a stronger, earlier and smoother reaction than the Pathogen.

Contain your competition with the Pyramid Antidote.
